GREETINGS

THE Stuart E. Edgar Post No. 493 Competition Committee greets you, our guests at our first Annual Bugle and Drum Corps Competition. To the drum corps, the bands and other organizations, we extend our sincere thanks for your help in making this day possible. To visiting Posts and Auxiliaries, we extend a hearty welcome.

To those of our guests not members of our organization, we trust you will enjoy watching the various units taking part; you will note the spirit of the V. F. W. without distinction as to race, color, religion, social standing or political belief.

We hope you will find the contest, parade and program interesting; also the spirit of co-operation and sportsmanship which is the just pride and boast of the V. F. W.

We are deeply indebted to our advertisers and to the men of our committee who have worked so hard to make this day possible.

MAURICE C. STEGNER,
Commander.
